BRISBANE

A Little About Us

Unlike other traditional Japanese restaurants, we do things a little differently here. At Koh-Ya our most important aim is to keep our customers happy. We want to provide a unique modern experience to Japanese dining in Brisbane (it's too quiet everywhere else!!!). We might be more noisy than other places, but our food is still the best around. Our staff members are loud and friendly and we aim to provide a lively and fun environment for your evening meal !

What are we shouting ?

If you're wondering what we are shouting when people come in and out of the restaurant, here's a quick explanation :

- **Irashai mase** (いらっしゃいませ)

In Japanese culture, we say this when we welcome customers into our store. It means "**Welcome**" !

- **Arigato Gozai Mashita** (ありがとうございました)

When customers are finished and about to leave, we say this as a sign of thanks. Obviously, it means "**Thank's mate**" !

So please don't be scared if we shout at you a little! Feel free to join in and show us up !

Our Specialty Dishes

- **Original BBQ Sauce** : Our original barbeque sauce is made from over 25 fresh individual ingredients including garlic, soy sauce and ginger. We use it in both marinating our meats (a thicker version), and also provide it at the table for you to dip your food into (thinner version and helps cool the food a little too) !

How to use Chopsticks

Hold like a pen, and move your index finger to "pinch" the food. Be careful not to move your thumb !
